

# iSTART Leading Ecosystem

Michael Chang  
Business Development

**精彩回顧** : [https://youtu.be/8Re\\_bRYZ4Qk](https://youtu.be/8Re_bRYZ4Qk)

# Outline

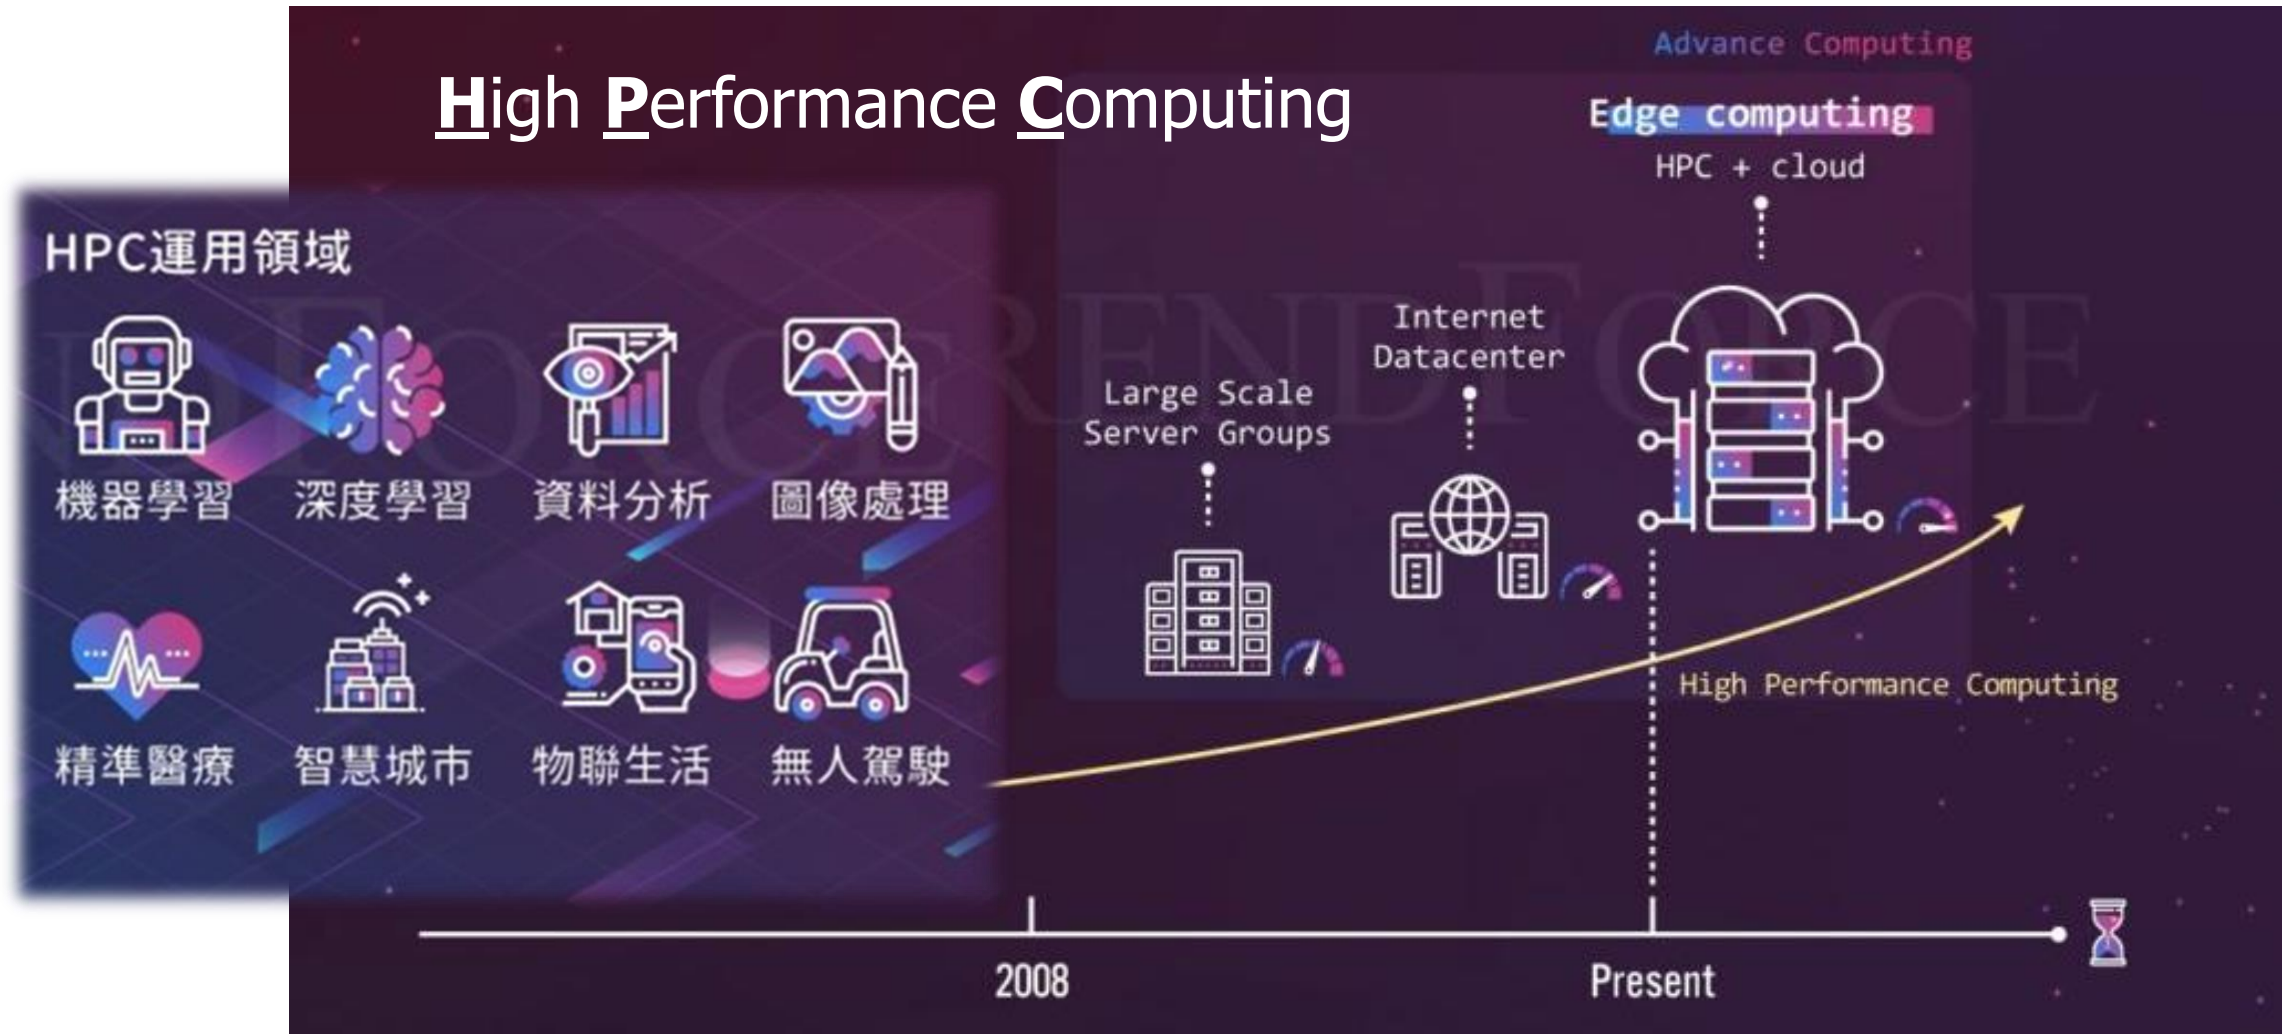

High Performance Computing Change the Game

iSTART Leading Ecosystem

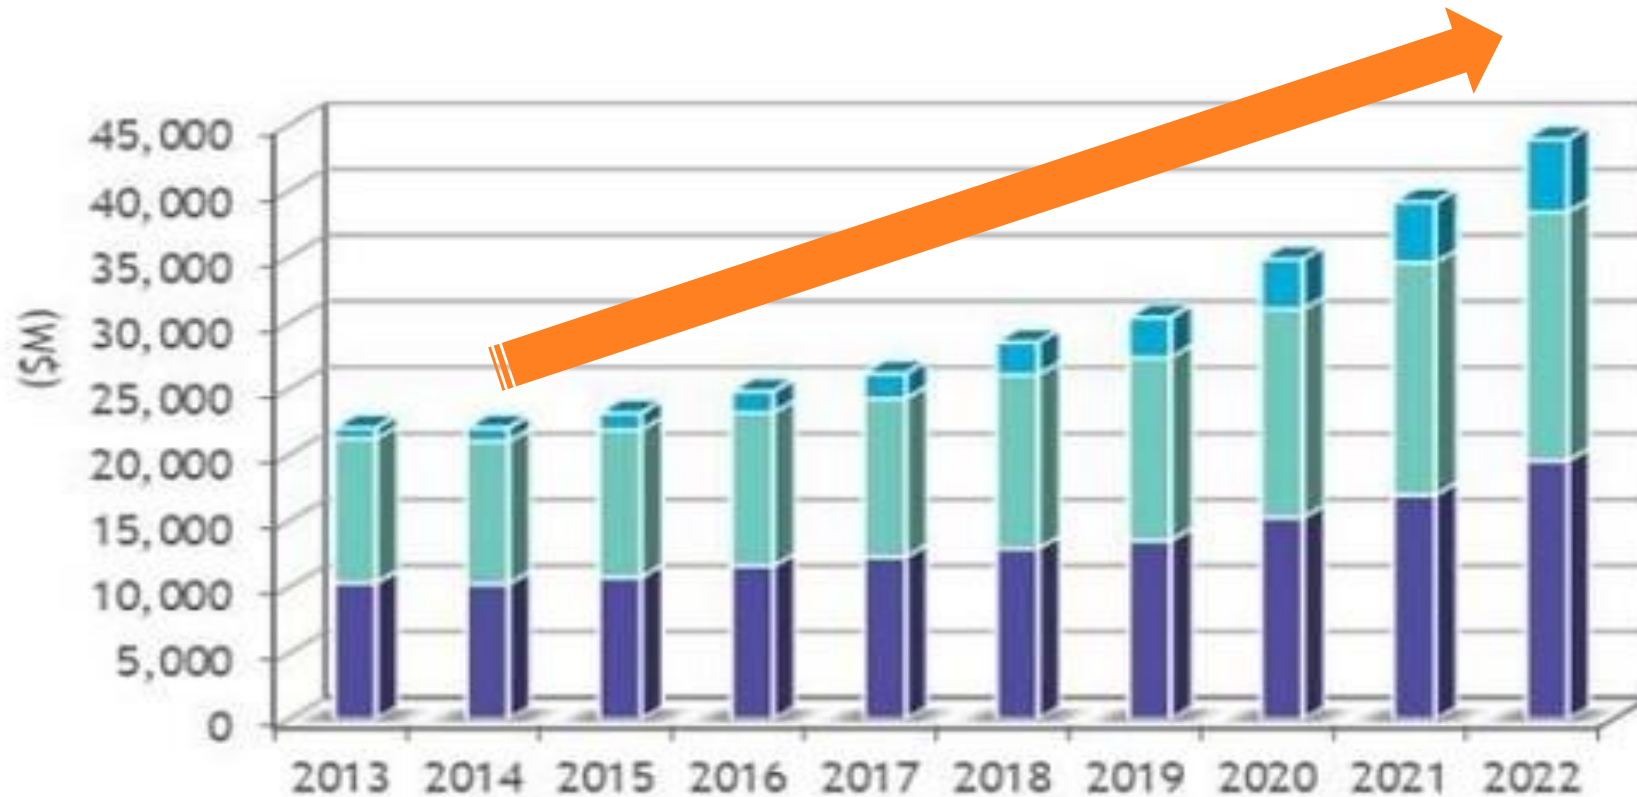

# Time to High Performance Computing

## High Performance Computing

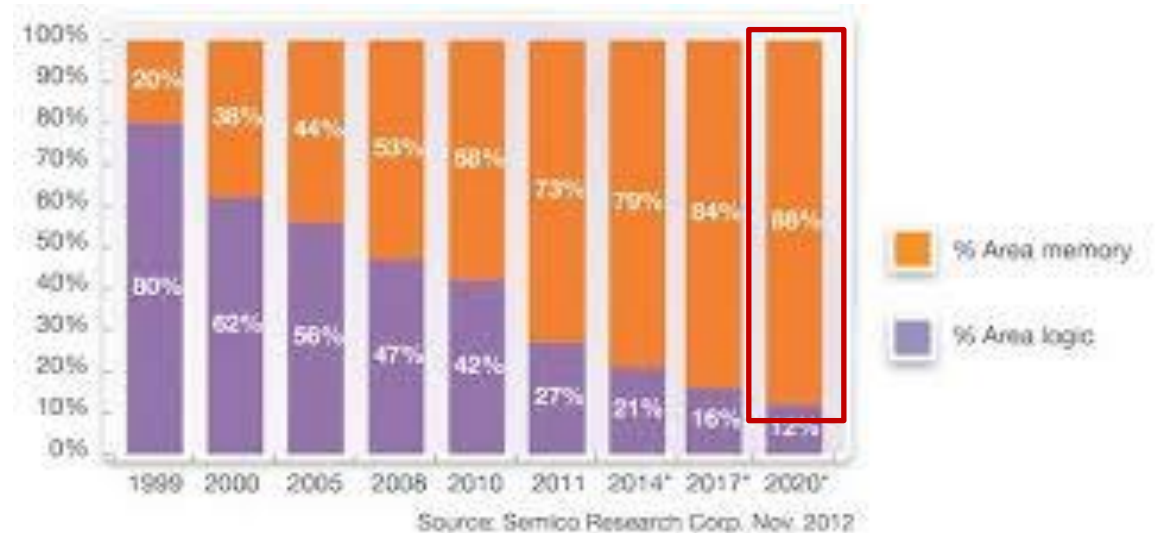

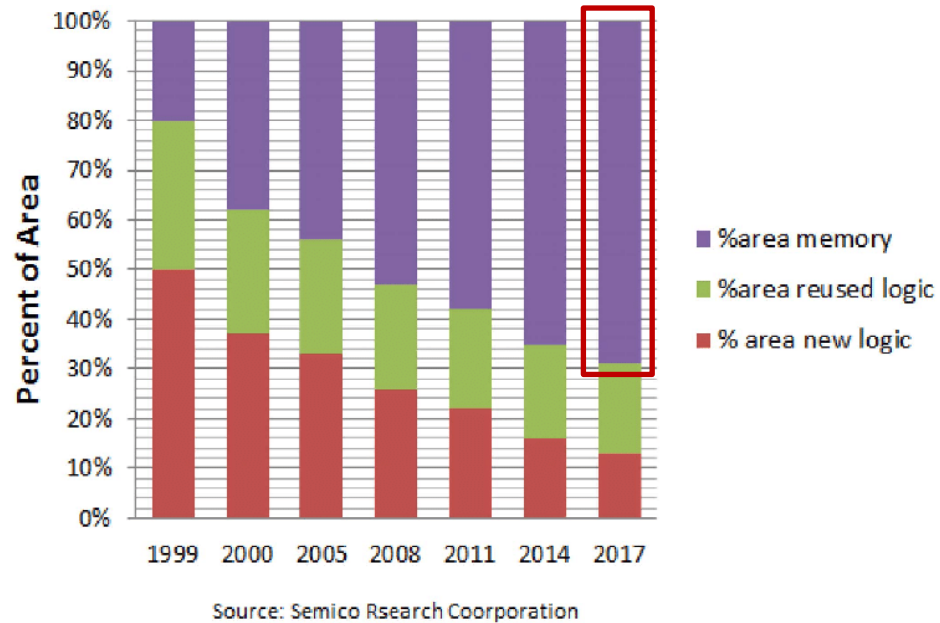

( Source : Trend Force )

# Booming HPC Market

Global HPC Market ( Source : Hyperion Research )

# Memory Occupied 80%+ Area in HPC SoC

『Memory』 Area in SoC is much larger than Logic

# Booming Memory Repair Requests in HPC SoC

Memory occupied 80%+ area in HPC SoC

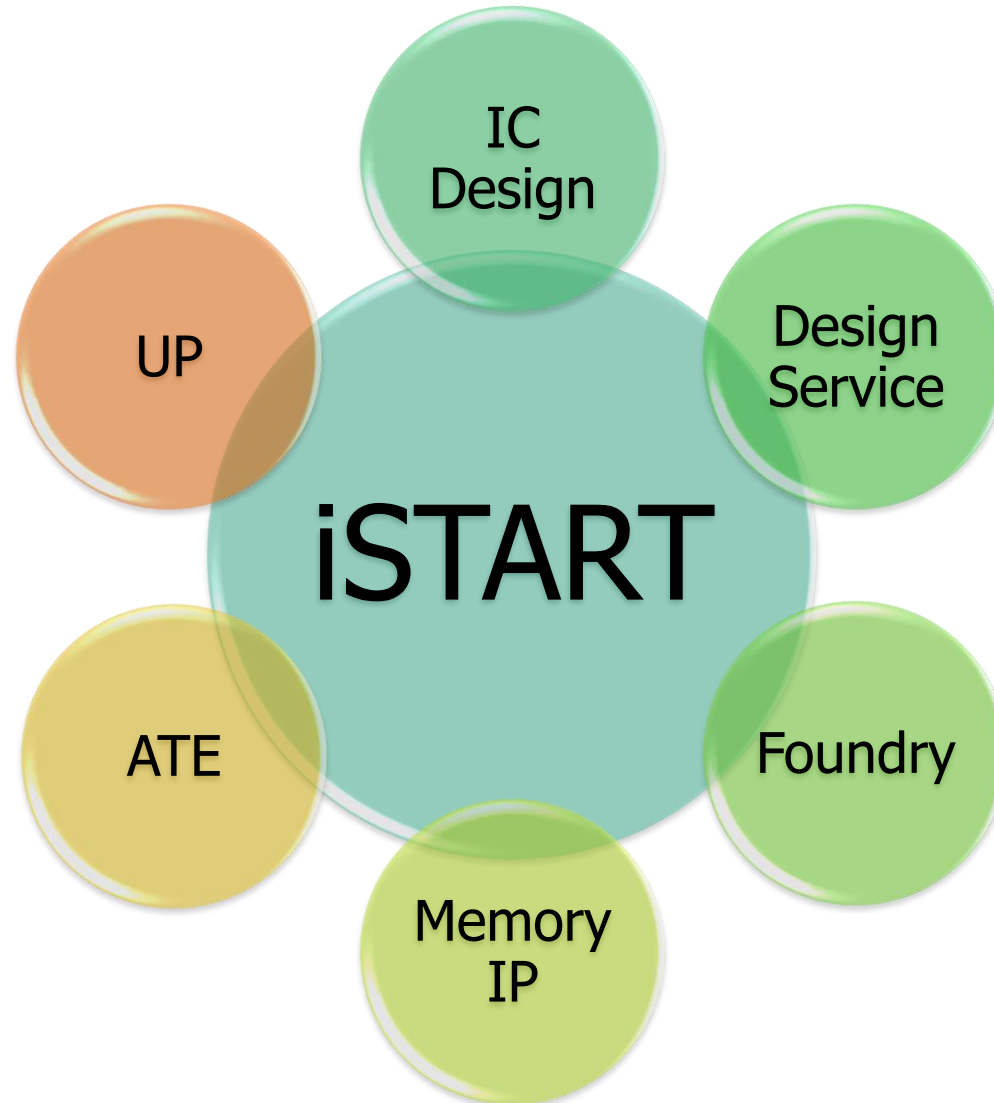

Memory yields define SoC yields

SoC yields dominate market competitiveness

Memory repair design requests is booming

MBIST/MBISR design is leading the DFT

# iSTART Leading Ecosystem
